

May 3, 2010

Dear Concessionaire:

Preparations are under way for the 2010 Raylrode Daze Festival. Our festival will be held on September 24 - 26, 2010. I hope that you are making plans to attend our event.

Enclosed is our concessions contract and price list. Last year we made some changes in the way we handled our set-up and we are going to set-up our wagons the same way this year. We are scheduling Wednesday afternoon, September 22, 2010 and Thursday September 23, 2010 as set-up days. The time will be: Wednesday, 1:00 pm. To 7:00 p.m. And on Thursday 8:00 a.m. to 7:00 p.m. Please be advised that this is for you to place your wagon in the spot. **AN ELECTRICIAN MAY NOT BE AVAILABLE WHEN YOU ARRIVE**, so it is important that you have a generator available to keep any food in your wagon from spoiling or, be able to correctly hook up your on wagon. Raylrode Daze Festival will not be responsible for any incorrect hookups, no exceptions!! If you need to set up your wagon on Friday morning September 26, we can accommodate you however; you must do so between 8:00 a.m. and 10:30 a.m. so that my committee and I can attend the opening ceremonies for our festival. However, we would like to have all the concession wagons set up by Thursday. **THE CUTOFF DATE IS SEPTEMBER 1, 2010 IF WE HAVE NOT HEARD FROM YOU BY THAT DATE; YOU MAY NOT GET A SPOT!!!! NO EXCEPTIONS!!!** If your application is received after that date, you will be put on stand by and if a spot is available, we will be glad to accommodate you if not; your deposit will be refunded. **IF YOUR WAGON IS EXTREMELY LONG AND/OR IF YOU HAVE TROUBLE BACKING YOUR WAGON INTO THE SPOTS, YOU MUST!! BE HERE TO SET UP ON WEDNESDAY!! IF NOT, YOU ARE REPSONSIBLE FOR GETTING YOUR WAGON INTO THE SPOT THAT WAS ASSIGNED TO YOU; NO WAGONS WILL BE MOVED TO MAKE YOUR PARKING EASIER. IF YOU CANNOT GET YOUR WAGON INTO THE ASSIGNED SPOT, AND NO OTHER SPOT IS AVAILABLE, YOUR DEPOSIT WILL NOT BE REFUNDED.**

As in the past, supply trucks must be parked in a designated area. We ask that supply trucks not be parked behind your wagon taking up space for other wagons. Electricity for the supply trucks is your responsibility and **WILL NOT** be furnished by Raylrode Daze Festival. In the past we have made arrangements for some trucks to have electricity, we will provide this service for the 2010 festival on a first come first serve basis. We ask that you limit your electrical use to 30 amps. Last year we had a few pulling too much current and caused problems for others. The electricity fee will be determined by the festival board and will be collected prior to the end of the festival. You will need to have

a generator or have made some other arrangements for electricity for your supply trucks just in case we don't have any other available hookup for electricity. Since the 2006 Festival, an ATM has been added on the bank lot that was used for parking. Parking is still available on the lot, however, you will have to park according to the specifications set up by the bank, if not you will be asked to move. Please see Tom before setting up on the bank lot! Electricity for the food wagons will be provided at an additional cost. See attached sheet for pricing. Please indicate on your contract the amount of amperage that is needed for your wagon, also indicate the voltage amount also. This is very important. It is also important that you state the correct amperage amount. Some concessionaires request smaller amperages to try to keep costs down and end up doing damage to their wagons and also causing electrical problems throughout the festival. Please work with us in this matter! Raylrode Daze Festivul Inc. will not assume any responsibility for electrical damage to the wagons. **PLEASE HAVE ATLEAST 200FT OF HEAVY ELECTRICAL CORD TO BE ABLE TO REACH THE NEAREST BREAKER BOX!!**

Raylrode Daze Festival **DOES NOT** any longer maintain a beer license. No temporary permits will be issued for our event. The only alcohol sold will be by area merchants who have a license to do so all year long. Please do not ask for a temporary permit. Also if any item sold by you becomes questionable, the festival committee may request that the item be discontinued. Pricing has been a problem in the past. We charge **PER ITEM**. Corndogs, hot dogs, and sausage dogs are all separate items. If you add items after you pay your fee, you **WILL BE** charged for the added items. Also, your fee is due when you application is mailed in, if your fee is not received, you do not have a spot even though I have received your application. If you do not mail your money in and there if available spots left after the cut off, you will be charged an addition of 10% of your total contract fee for not sending in your money. I am sorry to have to start with this but last year we had a problem with a merchant leaving without paying, so we have to start this policy. Also, if you need to leave prior to your neighbors, please work it out with them, we will not tolerate any more moving of wagons without owners permission. Move out day is Sunday if you need to leave Sat. night, you **MUST** work it out with your neighbors, otherwise, you will have to stay until everyone moves.

Finally, DEHC has hired a new health man for our area. Please adhere to their policies. If your wagon is shut down by DHEC, Raylrode Daze Festival has no control over it and your fee will not be refunded!! **NO EXCEPTIONS!!**

Again, it is my privilege to work with you and I am looking forward to another great Raylrode Daze Festival. Please forward your applications with full remittance to me so that I can get your spot reserved.

Sincerely,

Tom Jennings
Festival Chairman
